357 likes per post from followers

## Audience Interests

A placeholder for a similar blogger profile, showing a generic person icon and a star. Below it, a message states: "This reports part is only for payed users. If you want to open 500 similar bloggers, please buy any package". At the bottom is a red "BUY" button.

A horizontal bar chart comparing the percentage of users with over 2000 followers among likers and commenters. The y-axis lists 'Likers' and 'Commenters'. The x-axis represents the percentage, with a maximum value of 20% indicated by a vertical line. The 'Likers' bar is blue and extends to 14.79%. The 'Commenters' bar is orange and extends to 9.8%.

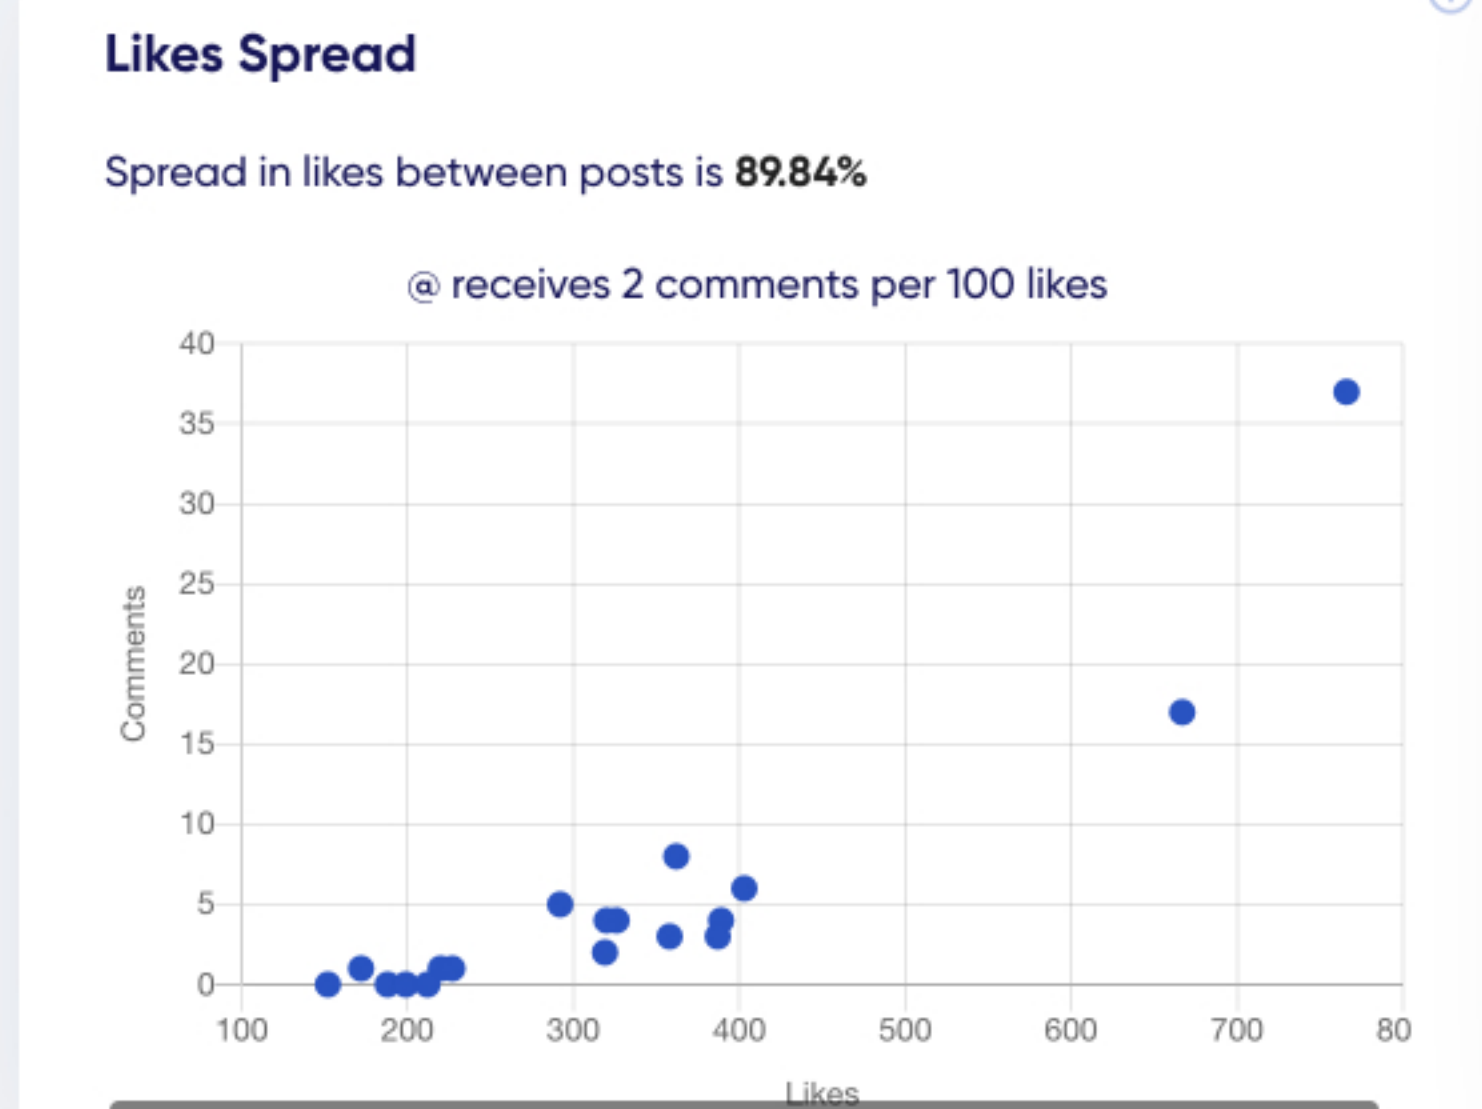

Category	Percentage
Likers	14.79%
Commenters	9.8%

Category	Percentage
Likers	18.6%
Commenters	11.48%

with less than 1000 followers
